SUMMARY

Electrical Engineering undergraduate at Universitas Gadjah Mada with interests in embedded systems, instrumentation, industrial automation, and UAV technology. Experienced in engineering projects, UAV research and development, and student leadership activities. Possesses strong analytical, problem-solving, and teamwork skills, with a passion for applying engineering knowledge to develop practical and innovative solutions.

EDUCATION

Universitas Gadjah Mada **2022 – Present**
Bachelor of Engineering (S.T.) in Electrical Engineering *Yogyakarta, Indonesia*

SMA Negeri 5 Palembang **Jul 2019 – May 2022**
High School Diploma *Palembang, Indonesia*

EXPERIENCE

Full Drone Solutions **Jan 2026 – Apr 2026**
Engineer Intern *Yogyakarta, Indonesia*
Engineering and manufacturing company specializing in integrated Unmanned Aerial Vehicle (UAV) solutions, including UAV development, spare parts supply, maintenance services, and after-sales support for industrial applications.

- Assisted in engineering and manufacturing projects related to Unmanned Aerial Vehicles (UAVs).
- Supported the development and maintenance of UAV systems and components.
- Contributed to technical operations involving spare parts, maintenance, and after-sales services.
- Participated in the research and development (R&D) of a UAV mapping prototype, contributing to system integration and performance evaluation.
- Collaborated with engineers in designing and refining UAV solutions for industrial applications.

PT Pupuk Sriwidjaja Palembang (PUSRI) **Jan 2024 – Feb 2024**
Instrumentation Engineer Intern *Palembang, Indonesia*
One of Indonesia's leading fertilizer manufacturers and a subsidiary of PT Pupuk Indonesia, operating large-scale fertilizer production facilities that support the agricultural sector.

- Assisted in the maintenance, calibration, and troubleshooting of industrial instrumentation systems.
- Supported the inspection and monitoring of process control instruments, including sensors, transmitters, and control valves.
- Participated in preventive and corrective maintenance activities to ensure the reliability and safety of plant operations.
- Collaborated with engineers and technicians in analyzing instrumentation performance and operational issues.
- Gained practical experience in industrial automation, process control systems, and instrumentation engineering in a large-scale fertilizer manufacturing environment.

COMMITTEE EXPERIENCE

Technocorner UGM 2024 **Nov 2023 – Jul 2024**
Staff, Electrical Engineering Competition *Yogyakarta, Indonesia*
Annual technology and academic event organized by the Electrical Engineering and Information Technology Student Association (KMTETI), featuring competitions, exhibitions, and technology-related programs.

- Developed competition problems and assessment materials.
- Evaluated participants' submissions and performance.
- Assisted in supervising and managing competition activities.
- Contributed to the successful execution of one of Indonesia's largest student-led technology events.

IKAGAMASS On Try Out UGM (InTO UGM) 2024 **Jul 2023 – Jan 2024**
Coordinator, Design, Documentation, and Decoration Division *Yogyakarta – Palembang*
Annual event organized by the South Sumatra Gadjah Mada Family Association (IKAGAMASS) to introduce Universitas Gadjah Mada to high school students in South Sumatra through academic tryouts and educational talk shows featuring national-level speakers.

- Led the design, decoration, and documentation processes throughout the event.
- Designed promotional materials, social media content, and event decorations.
- Increased audience engagement through effective visual communication and digital media strategies.

- Coordinated a division of 10+ members to ensure smooth execution of event-related activities.

IKAGAMASS On Try Out UGM (InTO UGM) 2023 **Oct 2022 – Jan 2023**
Staff, Design, Documentation, and Decoration Division *Yogyakarta – Palembang*

- Designed promotional content for social media platforms.
- Assisted in preparing event decorations and visual materials.
- Supported documentation activities during the event.
- Helped increase online engagement through creative visual designs.

ORGANIZATIONAL EXPERIENCE

Keluarga Mahasiswa Teknik Elektro dan Teknologi Informasi (KMTETI) **Present**
Staff, Student Advocacy and Welfare Division *Yogyakarta, Indonesia*
Student association of the Department of Electrical Engineering and Information Technology at Universitas Gadjah Mada, facilitating academic, professional, and student development activities.

- Assisted in advocating for students' academic and non-academic concerns within the department.
- Supported the planning and implementation of student welfare programs and initiatives.
- Served as a liaison between students and the department to help address student needs and feedback.
- Contributed to activities aimed at improving student well-being, engagement, and academic experience.
- Collaborated with other divisions to organize events and programs benefiting the student community.

Ikatan Keluarga Gadjah Mada Sumatera Selatan (IKAGAMASS) **May 2023**
Executive Board Member, Media and Information Division (Medinfo) *Palembang – Yogyakarta*
Regional student organization at Universitas Gadjah Mada that unites and supports UGM students from South Sumatra.

- Managed the organization's digital media platforms and communication channels.
- Designed promotional and informational materials for organizational activities.
- Strengthened organizational branding through consistent and engaging visual content.
- Supported information dissemination and public relations initiatives.
